

Setting up new users on StratXE

1. To begin setting up a new user, select the "Setup" tab and click on users.

2. This will take you to the users page, which gives an overview of all the organisational users. To add a new user, click on "Create".

3. Fill in the fields with the information about the new user.

A screenshot of the 'Create User' form in the StratXE application. The form has four tabs: 'Details' (selected), 'Access', 'Attendance', and 'Rates'. Under the 'Details' tab, there are input fields for 'Name' (filled with 'Niyaz'), 'Surname' (filled with 'Ebrahim'), 'Title' (filled with 'Mr'), and 'eMail' (filled with 'niyaaz.E@africaia.com'). There is also a 'Picture' section with a 'Choose File' button and the text 'No file chosen'.

4. The users access can be allocated by selecting the Primary Role of the user. Select "Organization-Owner" to grant users global access to the system or select "Organization-User" to limit the access of the user.

5. Set the users position, by selecting the relevant option.

6. Select the modules that are relevant to the user.

A screenshot showing the role selection part of the user creation process. It lists four roles with corresponding checkboxes: 'HR Partner' (unchecked), 'Programme Manager' (unchecked), 'Project Manager' (checked), and 'Project Officer' (unchecked).
